

RESOLUTION 88-32

A RESOLUTION RECOGNIZING OCTOBER AS DOMESTIC VIOLENCE
AWARENESS MONTH

WHEREAS, in the U.S., over six million women are victims of domestic violence each year. We in Bloomington are committed to restoring our first civil right--the right to freedom from fear in our own homes; and

WHEREAS, the problems of domestic violence are not confined to any group or groups of people but cross all economic, racial, affectional preference, and social barriers; and

WHEREAS, in our quest to impose sanctions on those who break the law by perpetrating violence, we must also meet the needs of battered women and their children who often suffer grave financial, physical and psychological losses; and

WHEREAS, our children are our future, and while educating them about violent behavior may not solve the immediate problem of domestic violence, it will make a difference in years to come; and

WHEREAS, the crime of domestic violence violates an individual's privacy, dignity and security, often leaving an imprint of fear and hostility; and

WHEREAS, the impact of domestic violence is wide-ranging, affecting not only our community but society as a whole.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE COMMON COUNCIL OF THE CITY OF BLOOMINGTON, MONROE COUNTY, INDIANA, THAT:

The Common Council recognizes the month of October as Domestic Violence Awareness Month and commends law enforcement agencies, domestic violence shelters, community services and all the countless volunteers in our community who provide services to the victims of domestic violence.
